RECEIVED
CITY CLERK
C & C OF HONOLULU
2013 NOV 13 AM 9:48

To: Council Chair Ernest Y. Martin, Vice-Chair Ikaika Anderson, and Members of the Honolulu City Council:

I am Jared I. Kuroiwa and one of the founding members of the Hawai'i Innovation Alliance (HIA). The Hawai'i Innovation Alliance is an organization formed in 2012 that aims to create a more unified voice representing the islands' innovation community to foster innovation, educate lawmakers, and advocate for appropriate policy.

The Hawai'i Innovation Alliance **strongly supports Bill 53 (2013), Relating to Open Data**. HIA believes that information held by the City & County of Honolulu that has been deemed public information by the State Office of Information Practices should be made available in open, standards-based, machine-readable formats. We believe that this policy will drive increased government efficiency and civic engagement that will lead to social and economic benefits culminating in a restoration of trust in government through transparency and collaboration.

Bill 53 (2103) aligns the City & County of Honolulu with the State of Hawaii's recently passed Act 263 by extending open data principles to the municipal level.

Thank you for the opportunity to submit testimony on this measure.
